FIRM RESUME

Athlaw LLP's practice focuses exclusively on the representation of retired NFL Players. Athlaw LLP is the gold standard for representation of disabled retired NFL Players in complex matters involving the ERISA regulated NFL Disability & Survivor Benefit Plan and its predecessors (the "Plan"). For nearly a decade, Athlaw LLP attorneys and paraprofessionals have directed their focus and extensive expertise towards vigorously representing hundreds of disabled retired Players in ERISA matters related to Plan disability benefits claims, as well as in claims under the NFL Concussion Settlement, *In Re: National Football League Players' Concussion Injury Litigation*, No. 2:12-md-02323 (E.D. Pa.). In the face of a daunting system skewed against disabled NFL Players—as chronicled by courts across the country—Athlaw LLP's extensive legal research, high-quality briefing, and familiarity with the complexities of ERISA, the Plan, and the NFL Concussion Settlement have resulted in it securing benefits and recoveries for Players where other firms have failed. Athlaw LLP's retired NFL Player clients have collected over \$110 million in entitled benefits and compensation.
